ticipated in various activities like Ad mad zap, Best out of waste, Story enactment and Mask making. The judges, 16 luminaries from diverse fields of arts, were left mesmerised by the quality of the competition. The participants got an op-

portunity to experience a world of novel ideas as it reflected the vibrancy of thought and its engagement with the artistic world at large. School principal Dr Ruchi Seth lauded the efforts of students and motivated them to further their artistic skills and to make art and culture an integral part of their lives.

Somerville School, Noida

Somerville School, Noida celebrated the Van Mahotsav. A special assembly was staged by eco club members of the school on this occasion. The assembly emphasised the need for conservation of forests and explained how afforestation is the only answer to the recent climatic changes. A short film was screened related to conservation of rainforests. Students were enlightened on how important these tropical rain forests are for the entire globe. The film also showed how so many beautiful species of flora and fauna are facing extinction due to global warming. School principal N. Arul Raj encouraged the students to care

for plants. Air purifying indoor plants were distributed to each section of classes VI to X.

Jagran Public School, Noida

Jagran Public School, Noida organised the orientation programme for the parents of children with special needs under the guidance of school principal Dr D K Sinha. The programme commenced with a warm welcome to the parents followed by the bouquet presentation and mementoes to the chief guest Dr Amrita Sahay, a renowned psychologist & officer in-charge, NIEPID, Rehabilitation Council of India, Ministry of Social Justice & Empowerment (Govt. of India). The entire programme was initiated by Dr. Prakash Kumar, Sr. Scientist of AIIMS and rehabilitation therapist. The overall theme of the programme was 'Parenting for children with special needs' that will also be a platform for parents and teachers to discuss the current situation, challenges and advancement relating to the behavioural and education needs of school children. Parents were

sensitised regarding child's physical, sensory, cognition, personality, behaviour, writing, reading, mathematics skills etc. 'A Milestone - Integrated Education Lab for children with special needs' was also inaugurated by the chief guest. Sangita Bishnoi proposed the vote of thanks.

Sapphire International School, Noida

Sapphire International School, Noida celebrated French Day by organising the special assembly. The students initiated with an apt salutation as a mark of respect to the European state, France with its National Anthem which gave a refreshing start to the day. It was followed by a group song with students humming to the tunes of a popular French number 'We write on the wall' from Kids United. The beauty of amalgamation of two alien languages - English and French, while portraying the rich and varied French culture, was beyond verbal description. School principal Dr Snigdha Sachdeva lauded the remarkable performance and preparation of the students and teachers which was simply par excellence.
