HEAD OF SCHOOL'S MESSAGE

REIMAGINING EDUCATION WITH AN ENTREPRENEURIAL SPIRIT

I am committed to reimagining education in India – shifting it from mere instruction to a culture of innovation.

At Sapphire International School, we believe learning must move beyond textbooks and exams to nurture creators, problem-solvers, and compassionate leaders. Our aim is to build an ecosystem where curiosity fuels innovation, creativity drives impact, and character guides success.

We encourage students to take initiative, embrace failures, and turn ideas into action – cultivating the entrepreneurial mindset needed for tomorrow's changemakers.

Through technology, design thinking, and real-world challenges, we prepare learners not just to adapt to the future but to shape it.

Every initiative at Sapphire promotes ownership, creativity, and reflection, empowering students to create possibilities with integrity and purpose.

Warm Regards,
Saurabh Sehgal

VICE PRINCIPAL'S MESSAGE

As we bid farewell to the dynamic month of November, I feel immense pride in reflecting on the vibrant spirit that echoed through the halls of Sapphire International School. November was a month of growth, discovery, and renewed purpose—a beautiful blend of learning, leadership, and compassion that truly reflects our school's ethos.

From thought-provoking assemblies and interactive classroom experiences to meaningful initiatives that nurtured both minds and hearts, October brought out the best in our learners. It was inspiring to see students step up with confidence, collaborate with empathy, and engage deeply in both academic and co-curricular pursuits.

Our Scholar's Circle continued to spark curiosity and dialogue, while hands-on projects and outdoor experiences encouraged students to connect learning with the world around them. Whether through creative expression or acts of social responsibility, our students demonstrated what it means to be thoughtful, informed, and engaged individuals.

Warm Regards,
Divya Kapoor

POETRY PARADE - "SUSTAINABILITY: OUR PLANET, OUR PRIDE!"

Every
Child
IS A
Leader
they just need wings to fly!

Our Sapphire Gems of Grade I & II shone brightly in the Poetry Parade, sharing creative verses on the theme "Sustainability – Our Planet, Our Pride." Their poems beautifully reflected ways to care for and protect our Earth.

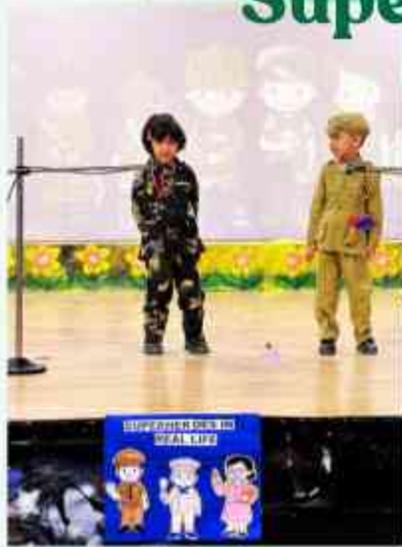

CELEBRATING THE SPARKLE OF CHILDHOOD!

Our little learners enjoyed Children's Day with enthusiasm, honouring the birth anniversary of Pandit Jawaharlal Nehru. They expressed themselves freely. With lively activities and cheerful moments, the celebration became a memorable blend of learning and joy.

Assembly- Super Heroes in Real Life

EYPL 1 B presented a lovely assembly on "Superheroes in Real Life," showing how true heroes are those who help and care for us every day. Our young learners confidently honored doctors, police officers, teachers, parents, and more with gratitude and joy.

Wonderful Wednesday

EYPL II A celebrated Wonderful Wednesday with a storytelling session by our parent guest, Mrs. Vandana Singhal, mother of Pratyaksh Singhal, who narrated "The Very Hungry Caterpillar." The children enjoyed the story and then created colorful butterflies and caterpillars through a fun handprint art activity. It was a joyful morning filled with imagination, creativity, and learning.

ASSEMBLY

Celebrating Childhood

The learners of Grade V-B put up a heart-warming assembly on "Celebrating Childhood," marking the birth anniversary of Chacha Nehru. Their poems, skit, and group song beautifully captured the spirit of Children's Day and reminded everyone to cherish the simple joys of childhood

Glow with Gratitude

Our Grade V-A presented a meaningful assembly on the theme "Glow with Gratitude." Through a skit, quotes, a dance, and a melodious song, they highlighted the importance of being thankful in everyday life. The assembly conveyed a simple yet powerful message: Gratitude helps us spread positivity and truly glow.

Mother Dairy Cheese Workshop

Learners of Grades III–VI enjoyed the “Mother Dairy Cheese ki Artshaala” workshop, learning about healthy eating through fun demonstrations. The session ended joyfully with every child receiving cheese slices and a colourful lunch box, making Children’s Day special.

Story telling

Learners of Grades I-III enjoyed an engaging storytelling session by Ms. Simi Srivastava, whose lively expressions and humour kept everyone captivated. The interactive narration filled the auditorium with laughter and imagination. It was a joyful experience that inspired creativity and a love for stories.

ACTIVITIES OF MY SURROUNDINGS

Students observed the spaces around us —homes, roads, parks, markets, and schools—and noticed how daily activities keep our environment active and organized. They also learned the importance of keeping our surroundings clean, safe, and free from pollution. The activity encouraged them to become responsible and aware citizens.

LANDFORMS OF THE EARTH

In this engaging activity, students learned that the Earth's surface is made up of various landforms. They explored mountains, plains, plateaus, deserts, and valleys, understanding how each landform has its own features. The session also helped them discover how these landforms influence climate, vegetation, animals, and human lifestyle. It was an enriching experience that strengthened their knowledge of our planet's physical features.

MIDDLE Wing

Assembly- Healthy Life & The importance of Education

The presentation by Grade VII highlighted healthy habits and the power of education in ending poverty.

A meaningful skit and a short quiz reinforced the message, making the programme both informative and inspiring.

Children's Day : Every child is Unique

A special assembly on the theme "Every Child is Unique" was conducted to celebrate the individuality and diverse abilities of every student. The purpose of the assembly was to help children understand that each person has their own strengths, talents, and learning styles, and these differences make our school community vibrant and strong

Education: The First Step Towards Self-Reliance

Every Child IS a Leader
they just need wings to fly!

Grade VII highlighted healthy habits and the power of education in ending poverty. A meaningful skit and a short quiz reinforced the message, making the programme informative and inspiring.

PBL Session

A PBL session was conducted by Ms. Prachi Jain to strengthen students' understanding of their ongoing projects and encourage collaboration. The session included an engaging quiz, a brief discussion on PBL objectives, and the launch of the PBL Kit for tracking project work. Students participated enthusiastically, making the session informative and motivating.

SENIOR Wing

SAFAL Assessment

Every
Child
IS A
Leader
they just need wings to fly high

Our learners from Grades IX confidently appeared for the SAFAL Assessment 2025, demonstrating strong critical thinking, problem-solving, and real-life application of concepts.

Interschool Competition

Inter-school debate competition, our learners confidently tackled the thought-provoking topic

“The Rise of Electric Vehicles Marks the End of the Fossil Fuel Era.”
Participants explored how the rapid adoption of electric vehicles (EVs) is reshaping the future of transportation, reducing carbon emissions, and encouraging nations to invest in cleaner energy alternatives.

INDIAN GOVERNMENT INITIATIVES FOR POPULATION QUALITY

As part of a class activity, Grade IX learners explored key initiatives taken by the Indian government to improve the quality of life. They studied programs related to healthcare, nutrition, sanitation, and education. The students presented their findings effectively, making the activity a meaningful and informative learning experience.

VEERGATHA

Sapphire International School proudly acknowledges the participation of its learners in the Veer Gatha Project 5.0, an initiative by the Ministry of Defence and the Ministry of Education. Through poems, essays, artwork, and multimedia presentations, students paid tribute to India's gallantry awardees while reflecting on courage, patriotism, and national pride. Their thoughtful contributions truly honoured the spirit of the nation's brave heroes.

The International North & Middle East at Sapphire International School

The International North & Middle East at Sapphire International School is a vibrant and diverse community of students and staff. We are proud to have a wide range of nationalities represented in our school, and we strive to create a safe and inclusive environment for all. Our students are encouraged to learn about different cultures and traditions, and to develop a global perspective. We offer a variety of extracurricular activities and clubs to help our students explore their interests and talents. Our staff is committed to providing high-quality education and support to all our students. We believe that a multicultural and inclusive school environment is essential for preparing our students for a global world. We are proud to be part of the Sapphire International School family and to work together to create a bright future for all our students.

INTER SCHOOL EVENTS

Our learners made us shine at the Vasudev Kutumbkam Inter-School Event hosted by Cambridge School, Greater Noida. A total of 91 enthusiastic learners participated across 19 diverse activities, displaying exceptional talent, confidence, and teamwork.

they just need wings to fly high

Our young Sapphire stars lit up the stage during the Show and Share Activity!

Learners from EYPL to EYPL III confidently presented their favourite toys, animals, family traditions, and travel stories with enthusiasm and creativity.

ARISE HYDERABAD

We are pleased to share that Mr. Saurabh Sehgal participated in an energising, future-focused ARISE session in Hyderabad, engaging with thought leaders to envision education in 2040. He highlighted the need for rapid adaptation and swift execution, reminding us that with Gen Zs and Alphas moving at the speed of now, we must evolve with the same urgency.

JOLLY PHONICS

Growing, learning, and bringing back new ideas for our learners. Learning never stops! Sapphire educators participated in the Jolly Phonics Workshop led by Mr. Christopher Jolly (Jolly Learning, UK) on 12 November at Prometheus School.

NORTH STAR

North Star 2.0 was an inspiring platform where Sapphire Educators learned, grew, and connected with incredible educators from various schools. The energy, ideas, and insights gained truly made it a memorable journey for everyone involved!
