Monthly Roundup
July and August 26 Edition

From the Editorial Board

Some moments are too beautiful to be left behind—they deserve a place in our hearts and between these pages. May bloomed with laughter, achievements, and memories that quietly became stories, from the pride of Achiever's Arc to the little moments that made us smile. I hope this edition lets you revisit them, if only for a little while.

With love, always,
~ Vamika
(Content Writer)

Behind every photograph is a story, behind every achievement is a journey, and behind every page is a moment worth remembering. This edition is a reflection of the joy, dedication, and togetherness that made May truly special. May these memories continue to inspire smiles long after the month has passed.

Our Vision

To raise future-ready global citizens grounded in values who explore, enjoy and realize their potential.

Our Mission

- To offer a safe and caring environment for the happy and healthy growth of our learners
- To create a research-based robust curriculum supported by technology
- To have a dedicated and passionate faculty
- To make parents partners

Our Values

- **C**ourage
- **L**ifelong learing
- **I**ntegrity
- **P**assion for excellence
- **E**mpathy
- **R**esponsibility

Message From Our Head Of School

Mr. Saurabh Sehgal

Dear Parents and Learners,

July and August have been a testament to our belief that education becomes meaningful when learners experience, question, create and apply. Across the school, our learners moved beyond routine classroom learning through experiential projects, environmental initiatives, leadership and citizenship activities, excursions, workshops, sports and creative platforms.

From nurturing an appreciation for nature and sustainability through Van Mahotsav and habitat-based activities, to developing confidence, leadership and responsible citizenship through assemblies and democratic experiences, every initiative was designed to build skills and values alongside knowledge.

Our focus on preparing learners for tomorrow was reflected in Ikigai, entrepreneurship, AI and leadership experiences, while platforms such as Lapis Lazuli 2.0 gave them opportunities to engage with creativity, technology and responsible digital citizenship.

The many achievements and creative expressions showcased in this edition are a proud reminder that when learners are given the right opportunities, they can transform ideas into impact.

These two months have not merely added to our calendar; they have added to our learners' experiences, perspectives and possibilities.

Warm Regards,
Saurabh Sehgal
Head of School

Message From Our Vice Principal

Ms. Divya Kapoor

Dear Parents,

July and August have been months of purposeful learning, joyful participation and remarkable achievement at Sapphire International School. As we look back, we are delighted to see how our learners across the Foundational, Preparatory, Middle and Senior Wings have embraced every opportunity to learn, create, collaborate, lead and express themselves.

From Bagless Days, Van Mahotsav, Project-Based Learning, creative showcases, and thematic assemblies to experiences in democracy, sustainability, leadership, cultural awareness, and experiential learning, our classrooms extended beyond textbooks. The Middle and Senior Wings further enriched learning through excursions, leadership case studies, Ikigai, entrepreneurship and AI workshops, AFS engagements, and sports.

A special highlight was Lapis Lazuli 2.0 – "Mind Over Media: Decode, Don't Just Scroll," featuring 21 competitions across academics, arts, music, theatre, coding, and public speaking, fostering creativity, critical thinking, and responsible digital citizenship. The Annual Class Presentation, "Magical Mirror: Kal, Aaj aur Kal," celebrated our heritage while showcasing the confidence, creativity, and teamwork of our learners.

Our learners also brought pride through achievements at Confluence, Listening Louder, Infinitus, Kala Sangam, Global Tiger Day, and Behes 2026, while Students' Corner, Creative Chronicles, Brushstrokes of Imagination, Humans of Sapphire, and Stars of the Month celebrated the diverse talents within our community.

Every experience reflects our endeavour to make learning meaningful and enriching while nurturing confident, curious, and compassionate individuals. My heartfelt appreciation to our learners, teachers, and parents for being an integral part of this journey.

Warm Regards,
Divya Kapoor
Vice Principal

FOUNDATIONAL WING

Van Mahostav

As part of our Twinkling Tuesdays initiative and Van Mahotsav celebrations, learners of Grades I and II participated in a Speaking Circle Activity on the theme "My Plant, My Friend." The activity provided children with a joyful platform to speak confidently about their favourite plants, share simple ways to care for them, and express their love for nature.

Through this engaging interaction, learners strengthened their communication skills while developing awareness about environmental conservation and the importance of nurturing greenery around us.

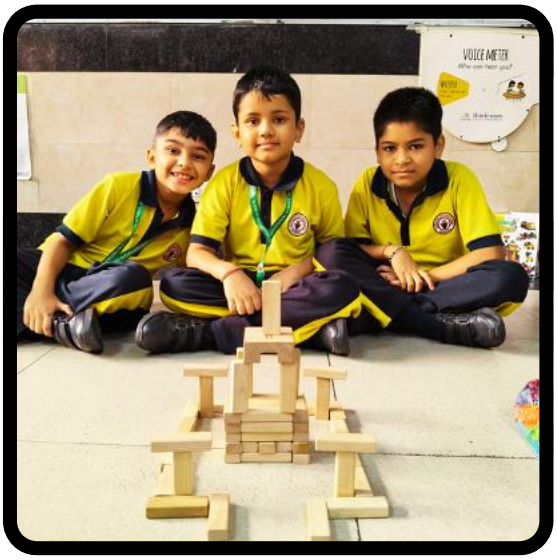

Project Based Learning (PBL)

As part of the Engineers of Noida Project-Based Learning (PBL), Grade II learners enthusiastically explored the city's remarkable infrastructure. They designed and built creative models representing important landmarks and structures of Noida.

Using reusable and eco-friendly materials, the young engineers brought their ideas to life. The activity encouraged imagination, teamwork, creativity, and problem-solving while making learning enjoyable and hands-on.

Through this engaging experience, learners developed a better understanding of Noida's infrastructure and the role of sustainable construction. The project inspired them to think creatively and become responsible builders of the future.

Monsoon Rhythm

The EYPL-I B Assembly brought the magic of the monsoon season alive through “Monsoon Rhythm.”
Young learners joyfully celebrated the beauty of rain through songs, rhymes, actions, and cheerful performances.
Their vibrant presentation reflected excitement, creativity, and the simple joys of the rainy season.

Through the assembly, children explored the sights and sounds of monsoon in an engaging way.
They learned about raindrops, cloudy skies, colourful umbrellas, and the importance of rain for nature.
The activity encouraged confidence, expression, coordination, and joyful participation among the young learners.

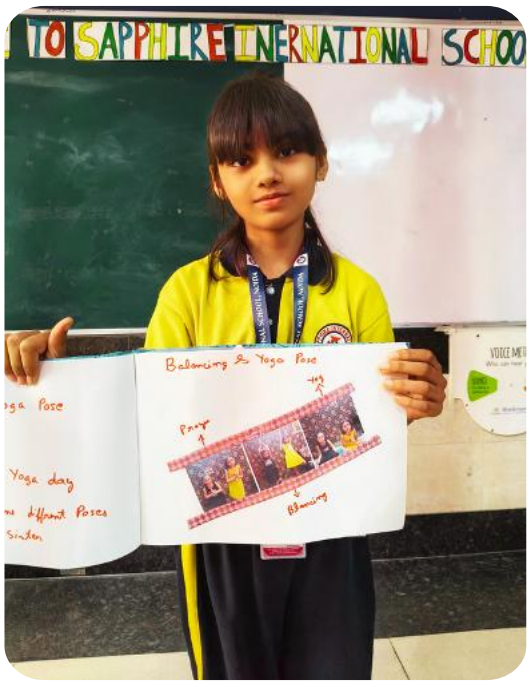

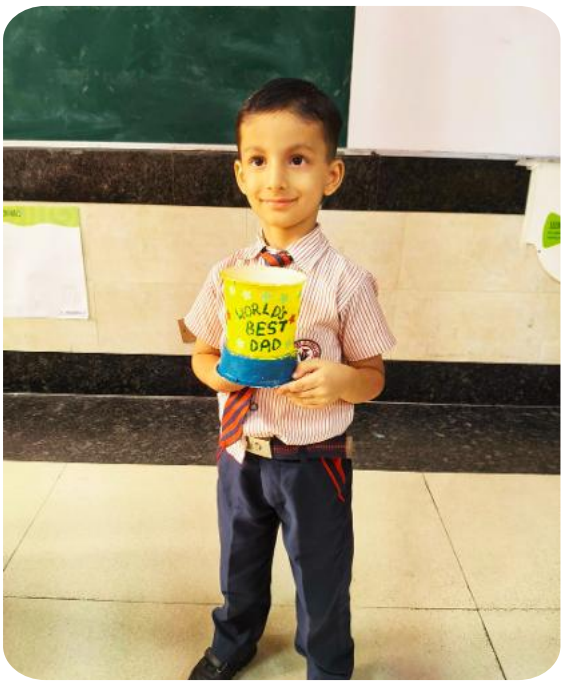

Summer Camp

The Holiday Learning Showcase gave learners an opportunity to confidently present their favourite activity from the Vacation Enrichment Plan (VEP). Through this sharing session, children reflected on their learning, showcased their creativity, and built confidence by speaking about what they enjoyed and learned during their summer break.

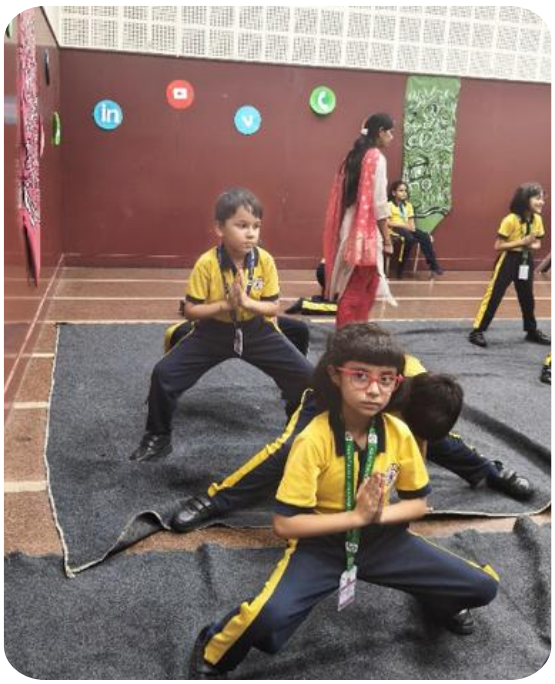

Yoga session -Wonderful Wednesday

As part of our Wonderful Wednesday initiative, we were delighted to welcome Anjana's mother for an engaging yoga session with the students of Grades 1 and 2. The children explored various yoga poses along with simple breathing and stretching exercises, learning the importance of fitness, mindfulness, and healthy living in a fun and interactive way. We sincerely thank her for inspiring our young learners to embrace yoga with enthusiasm.

Excursion to Museum of illusion

Students of Grades 1 and 2 embarked on an exciting educational trip to the Museum of Illusions in Delhi. The museum offered them a fascinating glimpse into the world of perception, where they discovered how simple tricks can create mind-boggling illusions.

The children were amazed by exhibits that challenged their senses—from rooms that altered their perspective to mirrors that played with reflections. They learned how science and creativity come together to create illusions that appear magical but are based on clever techniques.

The experience was not only fun and thrilling but also educational, sparking curiosity and encouraging the children to question how things work. Filled with laughter, wonder, and adventure, the day became a memorable experience for both students and teachers.

Visit to Post Office

As part of the English chapter "A Visit to the Post Office," Grade 1 learners participated in an experiential learning activity. They wrote postcards to their parents and, on 18 August 2026, visited the post office to learn about its functioning and the process of posting letters. The visit brought classroom learning to life and was a joyful, enriching experience for the children.

Special Assembly on Independence day

Grade 1 celebrated Independence Day with a special assembly on 14 August 2026, filled with patriotism and joy. The young learners presented a vibrant patriotic song and dance, showcasing their enthusiasm, confidence, and love for the nation. Their spirited performances beautifully reflected the values of freedom, unity, and national pride.

Twinkling Tuesday- Tri colour Salad Art

Grade 1 learners celebrated Independence Day with a fun Tricolour Salad Activity. Using fresh and nutritious ingredients, they created colourful salads while learning about healthy eating, teamwork and nutrition. The activity beautifully combined patriotism, creativity and healthy living.

PREPARATORY WING

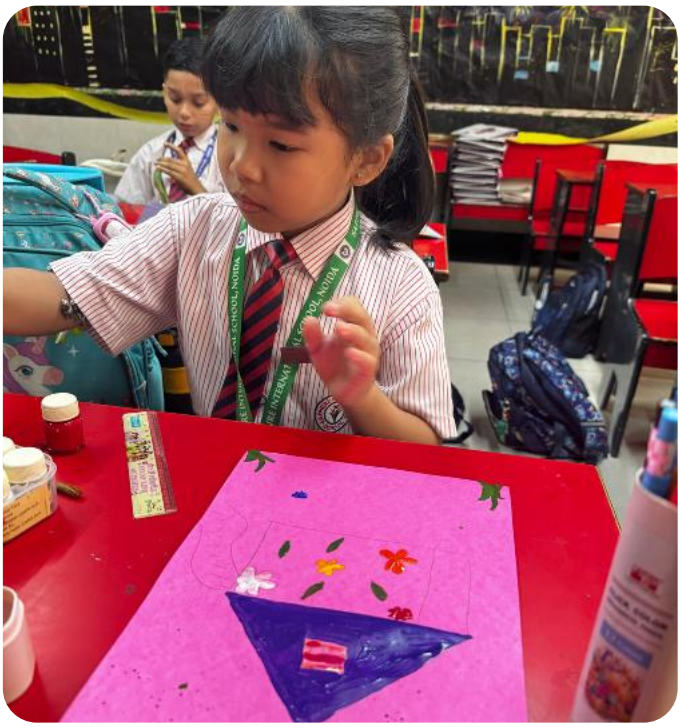

Habitat Diorama- Tree homes

Sapphire International School celebrated Vanmahotsav with the Inter-Class and Inter-House Competition – "Habitat Diorama – Tree Homes" for Grades III–V. The event encouraged learners to explore how trees provide shelter to birds, insects, squirrels, monkeys, and other creatures. Students first created vibrant 2D habitat models, followed by impressive 3D dioramas using eco-friendly and recycled materials. Their creative work reflected imagination, environmental awareness, and a deep understanding of biodiversity. The event beautifully blended art, sustainability, and environmental education, inspiring learners to protect trees and preserve natural habitats.

Hands of Compassion

Sapphire International School organised the Intra-Class Creative Expression Competition – "Hands of Compassion" for learners of Grades III–V on 22 July 2026, celebrating creativity, kindness and empathy.

Through posters, collages, paintings and mixed-media creations, learners explored themes of kindness, gratitude, sharing, caring for nature and helping others. Their vibrant artworks reflected remarkable imagination, originality and sensitivity, while conveying meaningful messages about compassion and responsible citizenship.

The event was a heartwarming celebration of art and human values, inspiring learners to recognise how even small acts of kindness can make a meaningful difference.

Exploring Energy Through Creative Expression

Class 5A participated in an engaging group activity on the advantages and disadvantages of renewable and non-renewable sources of energy. Working in teams, learners presented their understanding through creative formats such as street plays, slide presentations, posters and radio shows.

The activity enhanced their awareness of energy conservation while fostering teamwork, creativity, communication and presentation skills. It was an interactive learning experience marked by enthusiastic participation from all.

MIDDLE WING

The Green Architect- Van Mahostav:

Sapphire International School conducted the 'The Green Architect Round' Intra-Class Activity for learners of Grades VI–VIII as part of the Van Mahotsav celebrations. The activity encouraged learners to creatively present their understanding of plant growth and environmental conservation through cross-sectional plant diagrams and thoughtful explanations. Students enthusiastically showcased their scientific knowledge, creativity, and sustainability awareness. The activity successfully promoted environmental responsibility while inspiring learners to appreciate the importance of plants and the need to nurture and protect nature.

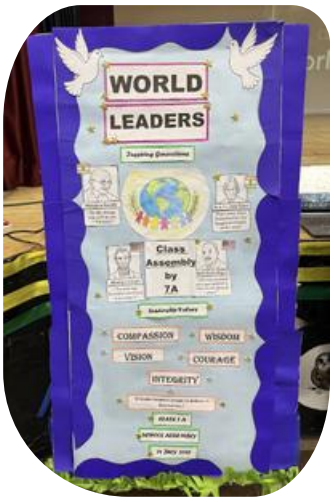

Morning Assembly- Class VII-A

The learners of Class VII A conducted an inspiring morning assembly on "World Leaders", highlighting leadership, integrity, courage, and service. The programme featured the Gayatri Mantra, Thought for the Day, School Vision and Mission, and National, International, Sports, and Campus News. The highlight was a captivating Personality Walk, portraying renowned world leaders through expressive performances, followed by an engaging quiz. The assembly also included the felicitation of Pyrenees House and Himalayas House for securing first and second positions in the Inter-House Nukkad Natak Competition

Make your own Mini Terranium

Sapphire International School successfully conducted the ‘Grand Build – Make Your Own Mini Terrarium’ Inter-House Activity for learners of Grades VI–VIII. The activity provided learners with an engaging platform to explore creativity while promoting environmental awareness and sustainable practices. Using natural plants, pebbles, soil, and eco-friendly materials, students designed miniature ecosystems with innovative arrangements and artistic presentations. Their enthusiastic participation reflected a deep appreciation for nature and design. The activity encouraged hands-on learning, creativity, and environmental consciousness, making it an enriching experience for all

Kargil Vijay Diwas Assembly- VIIB

The school assembly commemorating Kargil Vijay Diwas was conducted by the students of Class VII B who paid a heartfelt tribute to the brave soldiers of our nation. The assembly began with the thought for the day, followed by a powerful act portraying the courage, sacrifice, patriotism, and unwavering commitment of the Indian Armed Forces. Through their inspiring performance, the students highlighted the true spirit of the Kargil heroes and reminded everyone of the priceless value of freedom. The assembly also included the Felicitation Ceremony, where achievers were honoured for their excellence in academics and co-curricular activities. The programme concluded with the inspiring words of wisdom shared by Vice Principal Ma'am, followed by the National Anthem, leaving everyone filled with pride and gratitude for the nation's heroes.

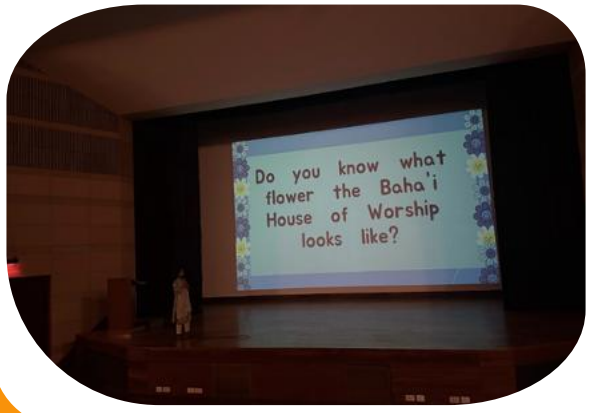

Excursion
Trip to Lotus Temple:

The learners of Grades VI–VIII of Sapphire International School embarked on an enriching educational excursion to the Lotus Temple, New Delhi, on 15th July 2026. Students explored the monument's distinctive lotus-shaped architecture and experienced its serene surroundings. The visit offered valuable insights into the ideals of peace, harmony, unity, and inclusiveness. Through observation and exploration, learners developed cultural appreciation, curiosity, and a deeper understanding of India's architectural heritage.

SENIOR WING

Assembly by XI-A:
Real life Heroes: Based on doctor's day

Held on July 6th, this special morning assembly paid tribute to medical professionals under the theme "Real Life Heroes." Through engaging speeches, skits, and poem recitations, learners highlighted the selfless dedication, resilience, and compassion of doctors who work tirelessly to save lives. The event encouraged learners to appreciate the vital role healthcare workers play in safeguarding community well-being

Workshop on Ikigai:

Focused on the Japanese concept of Ikigai, this interactive workshop helped learners discover their core life purpose. Through guided reflection, participants mapped out personal goals by aligning their interests, strengths, values, and aspirations, creating a balanced and intentional foundation for future career and personal growth.

Design a Brand Campaign Workshop:

Skill Workshop on Entrepreneurship and Artificial Intelligence, conducted in collaboration with Masters' Union. The workshop has been thoughtfully designed to equip students with essential future-ready skills and provide meaningful exposure to emerging fields that are shaping tomorrow's world.

Leadership Case study

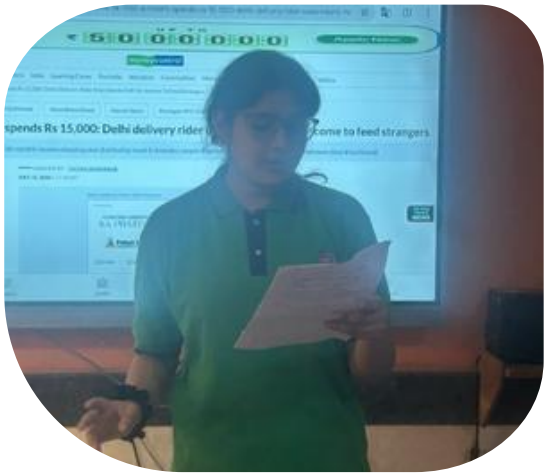

Designed to nurture essential 21st-century skills, this competition engages learners in analyzing authentic leadership situations and evaluating complex challenges. Participants collaborate to propose practical, innovative solutions, fostering critical thinking, strategic decision-making, and proactive problem-solving skills needed for future leadership.

Lapis Lazuli 2.0: Mind Over Media

Our school proudly hosted LAPIS LAZULI 2.0, an Inter-School Fest centred on the thought-provoking theme "Mind Over Media – Decode, Don't Just Scroll." The event brought together enthusiastic participants from various schools, providing a vibrant platform to showcase creativity, critical thinking, innovation, and talent across academics, arts, music, theatre, coding, and public speaking.

Through 21 engaging competitions spanning all grade levels, students explored the influence of media on society while promoting responsible digital citizenship. The event witnessed remarkable enthusiasm, originality, and teamwork as participants presented insightful ideas and inspiring performances. LAPIS LAZULI 2.0 successfully encouraged learners to think beyond screens, make informed choices, and become mindful consumers and creators of media.

Lapis Lazuli 2.0: Mind Over Media

Annual Class Presentation
Magical Mirror: Kal, Aaj aur Kal

Sapphire International School's Annual Class Presentation, "Magical Mirror: Kal, Aaj aur Kal," was a vibrant showcase of the talent and creativity of learners from Grades III–V. Through an engaging blend of musical theatre, dance, and drama, the presentation took the audience on a journey from India's rich past to the present and towards an inspiring future.

The performances beautifully celebrated India's cultural heritage, values, and traditions, while highlighting the choices, aspirations, and dreams that shape tomorrow. The learners showcased remarkable confidence, creativity, expression, and teamwork, bringing the theme to life with enthusiasm and energy.

The event was a memorable celebration of learning, imagination, and the spirit of young minds, leaving the audience inspired and immensely proud of the young performers.

Annual Class Presentation
Magical Mirror: Kal, Aaj aur Kal

Open House

Our School Open House offered prospective parents an opportunity to step beyond the brochure and experience the vibrant world of our school firsthand. Held on 22nd August from 8:30 to 10:00 AM, the event welcomed parents into our campus for an engaging and insightful experience.

A special highlight of the Open House was the student-guided campus tour, where our young ambassadors led parents through classrooms, learning spaces, activity areas and other key facilities. Through their perspectives and interactions, parents gained a glimpse into our dynamic learning environment and the experiences that shape our students every day.

The Open House reflected our commitment to holistic, experiential and future-ready education, while giving families an authentic insight into our educational philosophy, learning spaces and vibrant school culture. It was a meaningful opportunity to connect, explore and discover what makes our school a place where every child is encouraged to learn, grow and thrive.

Wellspring Sessions

EVOKE 1.0 Parenting Session

The “Cultivating Academic Resilience” session for learners of Grades X–XII focused on building a roadmap for academic excellence. Students explored effective goal-setting and study strategies while learning to manage challenges with confidence and perseverance.

The session encouraged learners to develop resilience, self-discipline and a positive mindset, empowering them to pursue consistent academic growth and success.

Peer Led Session

Learners of Grade VI participated in an engaging peer-led session on School Rules and Policies. The activity encouraged students to explore and share their understanding of the rules and policies that ensure a safe, respectful and responsible school environment. The session promoted awareness, accountability and active participation among learners.

Empowering Educators Through Professional Development

We continues to foster continuous professional growth and future-ready teaching. On 11th July 2026, educators Ms. Megha Sethi, Ms. Karuna Devi, Ms. Nimrat Kaur, Ms. Bharti Sharma and Ms. Shradhaa Sarkar attended a Professional Development Workshop on “Prompting and Communicating with Large Language Models (LLMs)” at the American Center, New Delhi. The hands-on workshop introduced effective AI prompting techniques and practical applications in education, equipping educators with innovative strategies to enrich teaching, learning and classroom communication. The experience reinforced our commitment to embracing technology and shaping the future of learning.

Achievements

Confluence Competition

This dual-challenge event tests analytical rigor through two distinct formats: Matters that Matter and The Idea Exchange. Heartiest Congratulations to Akul Agarwal, Aryan Sethi and others for winning the prize .Wishing you many more milestones and continued success in the journey ahead. Keep shining!
Congratulations once again to all the winners and mentors!

Listening Louder Competition

We participated in "Listening Louder," hosted by The Millennium School, achieving notable success:

- Unmuted – Catalyst Award: Bhavyapreet Kaur (IX C) for amplifying an unheard voice.
- Care Blueprint – Innovation in Care Award Winners include Pavani Bajaj, Vamika Mahendru (both XII C), and Krittika Mukherjee (XII A).

Congratulations to both teams for highlighting the school's commitment to care, empathy, and well-being!

AFS Workshop

Hosted by DALIMSS Sunbeam School & Hostel in Rohania, Varanasi, this regional conference gathers member institutions from across the North Zone to promote global citizenship, cultural exchange, and educational collaboration.

The event provides a dynamic platform for educators and students to engage in constructive dialogue, share innovative learning practices, and strengthen institutional bonds.

Kala Sangam Competition

This grand multi-disciplinary celebration was held at Apeejay School which unites bright young minds across a wide array of competitive categories, including Art, Science, Music, Dance, and general knowledge. We are very proud to announce that Advait Sharma of XI-A had won the third prize in the event "Voice Of Renaissance". Wishing you many more milestones and continued success in the journey ahead. Keep shining!

Congratulations once again to all the winners and mentors! 🌟

Infinitus Competition

Under the guiding theme "One Story, One Lesson, One Way Forward," this thought-provoking session explores the evolving philosophy of modern artificial intelligence. We are very proud to announce that Vaidik Nagpal and Harshdeep Singh of XII-A won second prize in event “Pyquest”. Wishing you many more milestones and continued success in the journey ahead. Keep shining!
Congratulations once again to all the winners and mentors!

Oriental Cup Football Tournament 2026

Held from July 7th to July 16th, 2026, at the historic Ambedkar Stadium in New Delhi, this tournament brought together talented athletes from various schools and institutions. The event provided an energetic platform for students to demonstrate athletic skill, refine strategic gameplay, and build physical resilience. Beyond competitive sportsmanship, participants gained valuable match experience while developing crucial life skills

Global Tiger Day 2026

On Global Tiger Day 2026, the Ministry of Environment, Forest and Climate Change organised a special programme at Indira Paryavaran Bhawan, New Delhi, promoting wildlife conservation and the Big Cat Awareness Programme. We are proud to share that Aarna Jain (Class IX) secured Third Position in the Regional Sketching Competition, while Trisha Sharma and Vaani Rawat (Class XII-B) showcased their creativity through an exceptional rangoli artwork.Heartiest congratulations to our talented students for making the school proud!

Behes 2026 – A Proud Achievement

Heartiest congratulations to our winners and mentors on their remarkable achievement at Behes 2026!

🥇 Gold: Aryaan Sethi, Aaradhya Joshi

🥈 Silver: Avni Gupta, Himaksh

🥉 Bronze: Khyati Soni, Shlloak Singhal

Your dedication and talent have made the school proud. Congratulations once again!

Progressive School of the Year – Jury's Choice

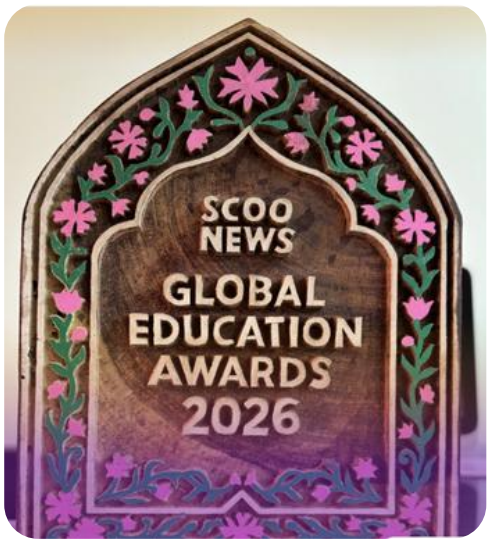

We proudly received the prestigious "Progressive School of the Year – Jury's Choice" award at the Global Education Awards 2026, presented by SCOO News on 8th August 2026 in Jaipur.

This distinguished recognition celebrates the school's unwavering commitment to progressive, innovative and future-ready education. It is a testament to our continuous efforts to create meaningful learning experiences that nurture curiosity, creativity, critical thinking and adaptability among our learners.

The award stands as a proud milestone in our journey towards reimagining education for the future, while inspiring us to continue empowering young minds with the knowledge, skills and values they need to thrive in an ever-changing world.

SNSMUN – High Commendation

Akul Agarwal brought laurels to Sapphire International School by receiving a High Commendation for his outstanding performance at SNSMUN, hosted by Shiv Nadar School. His confidence, diplomacy and active participation reflected his strong communication and leadership skills, making the achievement a proud moment for the school.

Voice of Renaissance

Advait Sharma brought pride to Sapphire International School by securing Third Place at "Voice of Renaissance", hosted by Apeejay School. His outstanding eloquence, confidence and expressive communication stood out among the participants, reflecting his ability to articulate ideas with clarity and conviction.

Kizuna Katha 2026

At the Kizuna Katha 2026 – 6th National Essay Writing Competition, Kavish Tiwari (XII-A) emerged as the Mega Winner, securing 1st Position, while Aryan Sethi (XI-A) received a Consolation Prize. Their achievements among 167 schools and 2,149 participants reflect their exceptional writing and creativity.

Cambridge School MUN

Akul brought laurels to the school by bagging the First Prize (Best Delegate) at the Cambridge School Noida MUN. His articulate debate and sharp diplomatic acumen earned him top honors at the conference.

Young Indian Parliament

Garv Bhardwaj (XII-C) made a lasting impression as the Leader of Opposition (BNDP) at the Young Indian Parliament, hosted by Amity University, Noida. His commanding speech and confident delivery earned widespread acclaim from the house.

24th Youth U.P. Basketball Championship

Aryan Vij (X-A) proudly represented Gautam Budh Nagar at the 24th Youth U.P. Basketball Championship. His stellar performance on the court propelled the team to an impressive Third Position.

Double Gold & National Triumph

Young martial arts prodigy Karna Singh Rawat (IV-C) displayed stellar dominance by clinching a Double Gold in Kumite & Kata at the Inter-School Karate Championship 2026, Meerut. Continuing his winning streak, he bagged a Gold Medal, the Sub-Junior Under-10 Open Challenge title, and a ₹3,000 cash prize at the prestigious national-level Khel Karate Championship at Talkatora Stadium, New Delhi.

Table Tennis Tournament 2026

Harsehaj Singh showcased remarkable agility and precision at the Table Tennis Tournament 2026, Bareilly. With an exceptional display of skill on the table, he proudly clinched the Silver Medal in the U-11 Category.
