Message By Head of School

I'm on a passionate journey to reshape how education is perceived and delivered in India. At the heart of this transformation is a commitment to ensuring our learners are not just ready for the future — but are empowered to shape it.

My mission is to enable learners to harness the power of technology and develop future-ready skills through a deeply integrated, human-centered approach to education. This isn't just about tools and techniques; it's about cultivating empathy, courage, responsibility and passion for excellence in every learner.

Let's explore, engage, experience, collaborate, and innovate together. From immersive projects to hands-on, age-appropriate activities, the goal is to create learning experiences that are meaningful, enjoyable, and impactful.

As we move forward, I'm excited to bring you opportunities that are as diverse as our learners — encouraging them to think critically, act ethically, and grow holistically. Here's to learning that inspires, connects, and empowers. Looking forward to connecting with each of you and building a vibrant, future-focused learning community!

Warm Regards
Saurabh Sehgal

Message by Vice Principal

The month of April marked a vibrant and promising beginning to the new academic session at Sapphire International School. It was heartening to witness our learners return with bright smiles, curious minds, and an eagerness to embrace every opportunity that lay ahead.

April was filled with meaningful experiences that reflected the essence of holistic learning. From the energetic Welcome Assemblies and Wonderful Wednesday sessions to the creative spark ignited through Earth Day celebrations, storytelling, and hands-on science and math activities—each moment reaffirmed our commitment to joyful, engaging, and value-based education.

The Language Week, Book Fair, and trips such as the Amar Jyoti Visit and the Qutub Minar exploration opened doors to cultural appreciation and real-world learning. I am particularly proud of the leadership skills showcased during the Investiture Ceremony and the accomplishments of our students in sports, language exams, and inter-school competitions.

These milestones were only made possible through the collective efforts of our dedicated facilitators, supportive parents, and ever-enthusiastic learners. I look forward to the months ahead, filled with more achievements, growth, and shared celebrations.

Warm Regards
Divya Kapoor

FOUNDATIONAL WING

New Session Joyful Beginning

IT'S TIME TO SHINE! Our incredible learners are BACK at Sapphire International School, Noida! The entire fraternity is ready for an unforgettable year of discovery, creativity and adventure! The air of the school is abuzz with excitement as the learners are welcomed back. It is surely a time to anticipate joy and gaiety as well as a time for some magical serendipity.

Wonderful Wednesday-Parent Guest

Thanking our Parents for joining us on Wonderful Wednesday! Our learners had a fantastic time conducting science activities and fun games. We truly appreciate your support and enthusiasm!

Assembly –Timeless Treasures

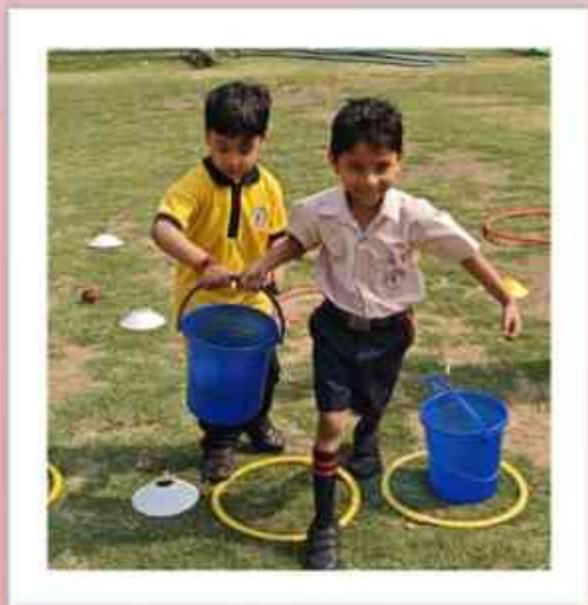

Grade II A's remarkable assembly, "Timeless Treasures" highlighted the significance of preserving our rich cultural heritage. Through engaging performances and presentations, learners showcased their understanding of historical monuments, traditional art forms and cultural practices.

Little Sprinters

Fun in the Sun! Our foundational wing learners became little sprinters and enjoyed exciting water activities! They splashed, played and had a blast, developing their motor skills and having fun in a safe environment. The event promoted physical activity, teamwork and joyful learning!

Earth Day Activity

The foundational wing celebrated Earth Day with enthusiasm, engaging learners in eco-friendly crafts using recycled materials and planting saplings. A thought-provoking jam session followed, where learners shared thoughts on protecting the Earth, promoting environmental awareness and inspiring action to care for our planet.

Swimming Classes

Our learners enjoyed refreshing swimming sessions, developing their aquatic skills and confidence in the water. Under expert guidance, they learned safety techniques, strokes in water etiquette, promoting physical fitness, teamwork and fun!

Physical Education

Our physical education program encourages learners to develop their physical skills, teamwork and sportsmanship. Through various activities and sports, learners improve their fitness, coordination and confidence, fostering a lifelong love for physical activity and healthy living.

Exploring Shapes

Exploring shapes through hands-on fun. Our learners discovered the world of shapes through engaging in hands-on activities! By using manipulatives, puzzles and creative projects, they developed a deeper understanding of shapes, their properties and real-world applications. This interactive approach made learning fun and memorable!

Story Telling

Our learners enjoyed an engaging storytelling session, where they explored their imagination and creativity. Through interactive narratives, they developed language skills, enhanced their listening abilities and learned valuable lessons, sparking a lifelong love for stories and reading!

Math's Cup Activity

Learners explored the science of sound through a fun cup phone activity! Using cups and strings, they created their own DIY phones, discovering how vibrations transmit sound waves. This hands-on experiment encouraged creativity, curiosity and a deeper understanding of sound principles.

PREPARATORY WING

Welcome Assembly

The first assembly of the new academic session at Sapphire International School set an uplifting and inspiring tone for Grade III to V learners, marking a fresh start to the year ahead. The morning began on a soulful note with the Gayatri Mantra recitation, followed by thought-provoking words, news updates and a reminder of the school's vision and mission.

Assembly on Earth Day

Assembly on the theme "Earth: Our Home" reminded us of our responsibility to protect the planet we live on. Through meaningful speeches, a nukkad natak, and a dance performance, learners highlighted the importance of environmental awareness and sustainable living. It was a thoughtful reflection on how small actions can lead to big changes when it comes to caring for our one and only home — Earth.

Poster Making

Our young eco-warriors from Grades III to V poured their hearts into creativity during the 'Save the Planet' Poster Making Competition! From vibrant colors to powerful messages, their artwork reflected the hope, care and responsibility they feel for our Earth. It was truly inspiring to see such passion and awareness in our young learners.

Best Out Of Waste

Learners of Grade III to V participated enthusiastically in the "Best Out of Waste" activity, showcasing their creativity and concern for the environment. Using old newspapers, plastic bottles, cardboard and other discarded items, they created a variety of useful and decorative objects.

With great imagination and effort, they crafted bird feeders, pen stands, wall hangings, flower vases, photo frames, paper baskets and even small planters from plastic bottles.

Bonjour, Hallo, Namaste: A Language Fiesta!

As part of the Language Week celebrations, Grade V learners brought French, German and Sanskrit to life through hands-on, joyful activities. From designing vibrant, thoughtful greeting cards in French and creating eye-catching posters in German to playing interactive games in Sanskrit; it was a lovely mix of color, culture and communication. The week was a vibrant blend of language, culture, and creativity!

Genie

Genie, transforms traditional classrooms into dynamic spaces of exploration and curiosity. By integrating Genie into our daily teaching, we are not just delivering lessons—we're elevating the learning experience.

Our think rooms are empowered with tools that make concepts come alive, spark deeper understanding and ignite young minds with excitement. With Genie, we're not just teaching—we're inspiring. And that's how we're proudly raising the standards of education at Sapphire!

Book Fair

Sapphire International School was buzzing with excitement as the Reader's Club set up a vibrant and inviting Book Fair! Students got a chance to explore the collection of colourful books, make their own wishlist and then return with their parents to grab their favorite picks. It was an opportunity for our young readers to create their own little libraries at home.

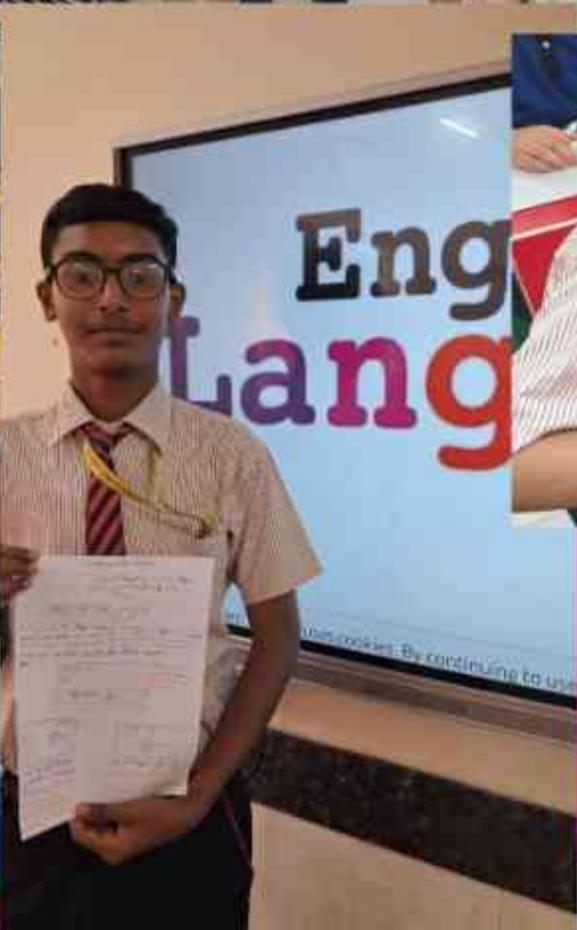

Wonderful Wednesday

Breathe in... and stretch out the smiles! Wednesdays we wow the world with our wisdom & wit. 'Wonderful Wednesday' was all about wellness as Ms. Shivani Chawla, mother of Krishiv from Grade IA, joined us for a delightful yoga session. The session left everyone feeling calm, focused, and full of cheer. A big thank you to Ms. Chawla for bringing such a peaceful vibe to our students' mid-week!

MIDDLE WING

IC Declamation Competition

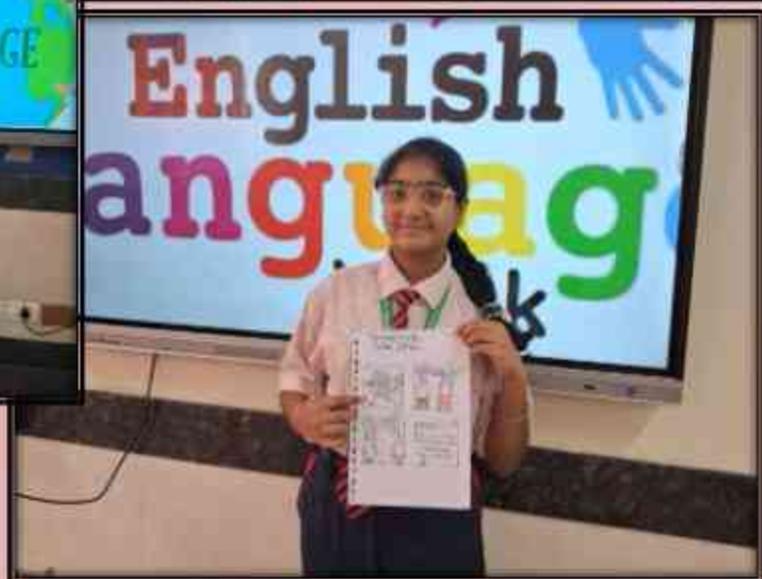

An Inter-Class Declamation Competition was scheduled for learners of grades VI-VIII. The twelve shortlisted learners participated in the final round and share their thoughts on the topic 'The Human Footprint; A Legacy of Destruction or Sustainability?' This event was not just a platform for learners to showcase their public speaking skills, it also enhanced their communication skills and boosted their confidence, empowered learners to showcase their oratory skills which is a crucial step in their overall development.

Language Week Celebrations

The Language week featured a series of engaging and educational activities conducted across all language subjects. These activities were designed to develop essential language skills such as creativity, fluency, pronunciation and the basic communication.

Well Spring Program for Parents

We were honored to host our parent community for a reflective and enriching session focused on strengthening the partnership between home and school. Through thoughtful dialogue and shared experiences, we took a meaningful step toward deeper understanding and connection.

Our sincere thanks to all the parents who joined us — your presence truly enriched the conversation.

“Viraj Khel O Utsav”- Proud Moment for Sapphire

The talented learners of Sapphire International School, Noida set a bench mark of excellence at Mayor School’s “Viraj Khel O Utsav”, an Inter- School Sports Competition. The victorious Sports Stars of Sapphire International School were conferred 4 Gold Medals, 4 Silver Medals and 2 Bronze Medals in Skating. The team also secured the Second and Fourth Positions in Chess.

Special Assembly by Grade VIII "Celebrating Equality: A Tribute to Dr. B.R. Ambedkar"

A special assembly was conducted to commemorate the birth anniversary of Dr. B. R Ambedkar. The assembly started with Gayatri Mantra recitation. A powerful skit on discrimination was performed by learners portraying the social injustice faced by Dr. Ambedkar and how he overcame it with education and courage. The performance emphasized the need for equality and respect in today's world.

Assembly by Grade VIII on 'Healthy Habits for a Healthy Planet based on SDG Goal-III

The event featured a compelling Nukkad Natak (street play) that dramatized the importance of maintaining healthy habits—such as proper nutrition, regular exercise and mental well-being—in promoting individual and community health.

Amar Jyoti Visit

Our learners visited Amar Jyoti Charitable Trust, Delhi to gain awareness about children with special needs (CWSN). The learners witnessed the use of Braille slates, sign language, sensory tiles, and specialized teaching techniques. Additionally, the visit included an observation of the physiotherapy center, highlighting the trust's commitment to inclusive education and skill development for differently-abled children.

Visit to Noida Deaf Society

The Wellspring team of our school organized a memorable visit to the Noida Deaf Society with our learners. Our students had the opportunity to interact with the students of Noida Deaf Society.

They actively participated in learning basic Indian Sign Language, which allowed them to communicate and connect meaningfully with their deaf peers. An engaging art session was also organized where students from both groups worked together on creative activities.

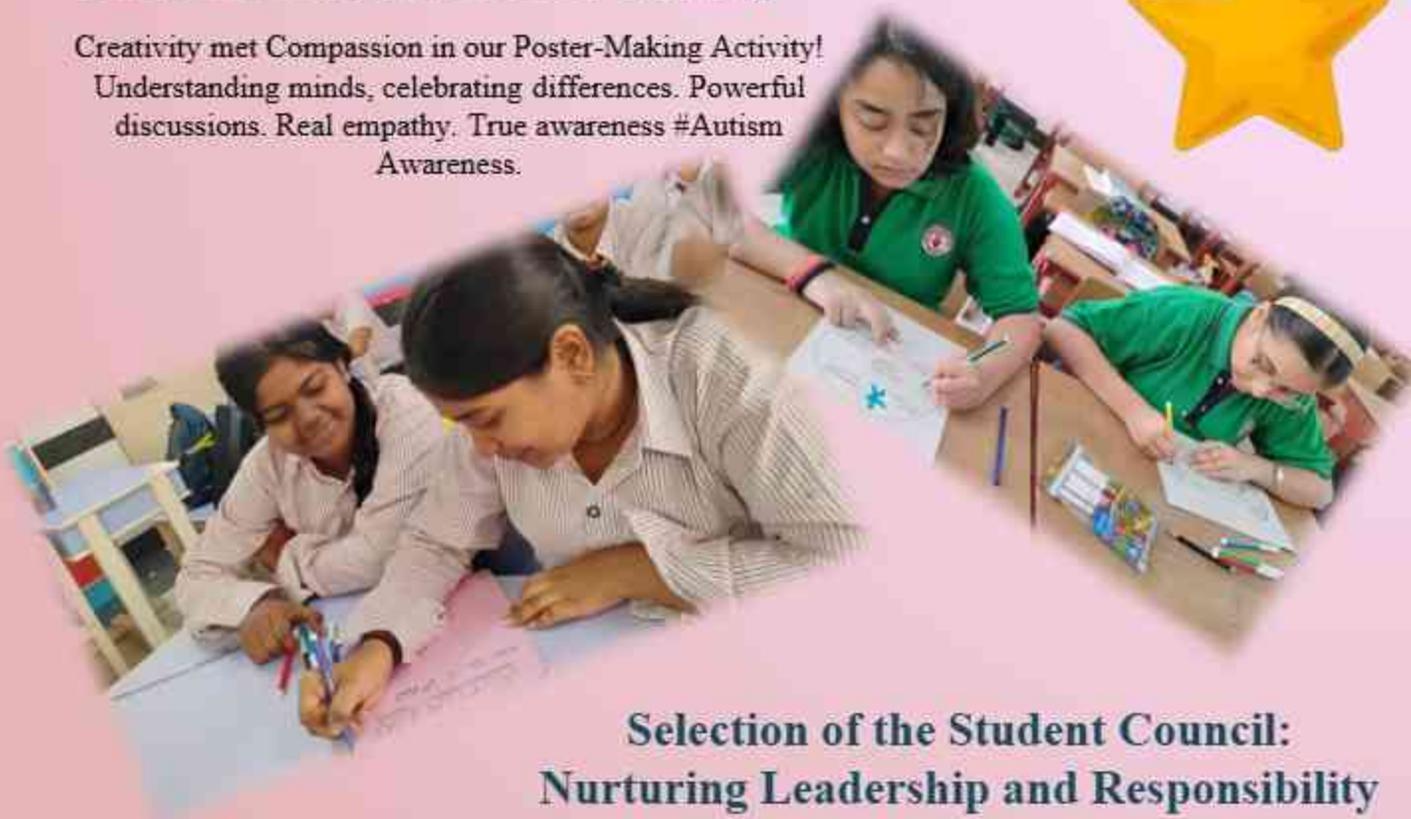

SECONDARY WING

Autism Awareness Poster Making

Creativity met Compassion in our Poster-Making Activity!
Understanding minds, celebrating differences. Powerful
discussions. Real empathy. True awareness #Autism
Awareness.

Selection of the Student Council: Nurturing Leadership and Responsibility

The selection of the Student Council at our school is a much-anticipated event that fosters leadership, teamwork and a strong sense of responsibility among learners. This year, the process was carried out with great enthusiasm and participation from learners across all eligible grades.

Lingua Fiesta Celebrations

The Department of English at Sapphire International School conducted a plethora of fun and Competitive activities for the learners of Grades IX-XII. Vocabulary and spelling was explored and expertise tested. The most popular activity was the rendering of the tangy, tongue twisters. The written expression of poetry, prose and drama accessorized the school decor.

Trip to Qutub Minar

The learners of Grades IX-XII of Sapphire International School visited the historical monument "The Qutub Minar". The architectural excellence of the Minar was admired by the learners along with an understanding of the skills of the artisans of the era. The buildings managed to retain their air of serenity, calm and temperatures that sooth despite the hot winds raging all around. The history of the slave dynasty was explained to the learner fraternity by the facilitators of the discipline.

Special Assembly on “Green Entrepreneurship: Inter House Competition”

The auditorium of Sapphire International School, Noida was abuzz with activity as the house members of the four houses geared up for presenting their enriching and stimulating power points on the topic of “Green Entrepreneurship”. The Alps House bagged the first position and was followed by the Pyrenees in the second position.

Shri Ram Debating Masterclass 2025

The Debating Society of Shri Ram College of Commerce conducted its events from 7th to 25th of April 2025, with the final round held on 29th April. This 15-day immersive program honed the debating, critical thinking and public speaking skills of learners from Grade IX to XII through expert-led sessions. We are proud to share that our very own Akul Aggarwal (Grade X) emerged as the winner of the finals, bringing great pride to our institution.

Parents' Facilitators Meeting

The learner, the parent and the facilitator form the equipoised tripod on which stands the edifice of education. The parents and facilitator hold the hands of the enthusiastic learners, the seekers of wisdom. The teacher and parent in collaboration endeavour and achieve excellence. This partnership works in continuum as they understand that excellence is just a journey and not an end point.

Investiture Ceremony

The much awaited and acclaimed annual event, The Investiture Ceremony of the Student Council was presided over by the luminary Lieutenant Colonel Sandhya Kataria. The newly elected Council were vested with duty, authority, pipped with the badges of designation and sashes of honour by the Chairperson, Mr. Jeevan Kumar Jain, Vice- Chairperson, Ms. Anjali Jain, Head Of School, Mr. Saurabh Sehgal and the Vice Principal, Ms. Divya Kapoor. The singular voice at the rendering of the Oath of Duty spoke about the learner diligence and determination. The commitment of the learner council resonated deeply with the vision and mission of the school.

Inter-Cultural Exchange Program Rajmata Jodhpur Girls Visit

Our learners embarked on an unforgettable journey to Rajmata Krishna Kumari Girls' Public School, Jodhpur, immersing themselves in a residential experience brimming with excitement, cultural richness, adventure, and learning. Accommodating with girls from five different schools across various states allowed our learners to celebrate cultural diversity, forge meaningful friendships and learn from each other's unique traditions and perspectives. It was a beautiful blend of shared laughter, learning and unforgettable memories that brought everyone closer.

Global Excellence French Exam (National Level)

Our learners from Grades VI-IX have excelled in the Global Excellence Exam (National Level) for French, held in collaboration with Bureau de Québec Mumbai & Alliance Française de Normandie. Congratulations to all achievers for their dedication and great scores!

Inter-School Chess Tournament

Our young strategists made all the right moves at the Inter-School Chess Tournament hosted by Billabong High International School, Sector 34, Noida—and came home with trophies to prove it. Shout out to our champs for bringing their A-game, showing serious focus, and representing the school with style. This is just the beginning—keep slaying, one move at a time!
