Anti Bullying Committee

'Bullying is something that no one should ever have to experience.'

STOP BULLYING

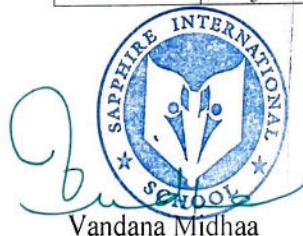

PHYSICAL • VERBAL • SOCIAL • CYBER

We are committed to ensuring that pupils learn in a supportive, caring and safe environment without fear. The ethos of our school fosters high expectations of outstanding behaviour and we will challenge any behaviour that falls below this. However, through this policy, we recognize that bullying can happen from time to time and make children's lives unhappy and hinder learning. As such we aim to work to prevent bullying and, if it does happen, pupils and parents should be assured that they will be supported through a consistent and constructive school response.
