## Protection of Children from Sexual Offences (POCSO)

The Government accords highest priority for ensuring safety and security of children and has undertaken various interventions in this regard. To safeguard children against sexual abuse and sexual harassment, Government has enacted Protection of Children from Sexual Offences (POCSO) Act, 2012. The act defines a child as any person below the age of 18 years.

POCSO Act under section-12 provides punishment for committing sexual harassment which shall be with imprisonment of either description for a term which may extend to three years and shall also be liable to fine. The Act was further amended in 2019 to introduce more stringent punishment including death penalty for committing sexual crimes on children, with a view to deter the perpetrators & prevent such crimes against children.

*'We commit to protect the safety of our children at all costs.'*
