Committee against sexual harassment

With regard to supreme court judgment and guidelines issued in 1997 to provide for the effective enforcement of the basic human right of gender equality and guarantee against sexual harassment and abuse, more particularly against sexual harassment at work places, the university grant commission (UGC) has issued circulars since 1998, to all the institutions, advising them to establish a permanent cell and a committee and to develop guidelines to combat sexual harassment, violence against women and ragging at the universities and colleges. It has further advised the institutions to be proactive by developing a conducive atmosphere on the campus, where the status of women is respected and they are treated with.

We commit

- To **RECOGNIZE** that non-consensual sex is sexual assault.
- To **IDENTIFY** situations in which sexual assault may occur.
- To **INTERVENE** in situations where consent has not or cannot be given.
- To **CREATE** an environment in which sexual assault is unacceptable and survivors are supported.

'It is a promise not to be a bystander to the problem, but to be a part of the solution.'
